The Vendor or subcontractor agrees to make good faith efforts to employ minority and women workers consistent with the applicable county employment goals established in accordance

with N.J.A.C. 17:27-5.2 or a binding determination of the applicable county employment goals determined by the Division, pursuant to N.J.A.C. 17:27-5.2.

The Vendor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

FOR CONSTRUCTION CONTRACTS:

During the performance of this contract, the Vendor agrees as follows:

The Vendor or Subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The Vendor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The Vendor or Subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the Vendor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The Vendor or Subcontractor where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers; representative of the Vendor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The Vendor or Subcontractor, where applicable, agrees to comply with the regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and Americans with Disabilities Act.

When hiring workers in each construction trade, the vendor or subcontractor agrees to attempt in good faith to employ minority and female workers in each construction trade consistent with the applicable employment goal prescribed by N.J.A.C. 17:27-7.3; provided, however, that the Affirmative Action Office may, in its discretion, exempt a vendor or subcontractor from compliance with the good faith procedures prescribed by the following provisions A, B, and C, as long as the Affirmative Action Office is satisfied that the vendor is employing workers provided by a union which provides evidence, in accordance with the standards prescribed by the Affirmative Action Office, that its percentage of active "card carrying" members who are a minority and female workers is equal to or greater than the applicable employment goal prescribed by N.J.A.C. 17:27-7.3, promulgated by the Treasurer pursuant to P.L. 1975, c 127, as amended and supplemented from time to time. The vendor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

A) If the vendor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the vendor or subcontractor shall within three (3) days of the contract award, seek assurances from the union that it will cooperate with the vendor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as supplemented and amended from time to time. If the vendor or subcontractor is unable to obtain said assurances from the construction trade union at least five (5) days prior to the commencement of construction work, the vendor or subcontractor agrees directly to attempt to hire minority and female workers consistent with the applicable employment goal. If the vendors or subcontractors prior experience with the construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and female workers consistent with the applicable employment goal, the vendor or subcontractor agrees to prepare to hire minority and female workers directly, consistent with the applicable employment goal, by complying with the hiring procedures prescribed under (B) below; and the vendor or subcontractor further agrees to immediately take said action if it determines or is so notified by the Affirmative Action Office that the union is not referring minority or female workers consistent with the applicable employment goal.

B) If the hiring of workforce consistent with the employment goal has not or cannot be achieved

for each construction trade by adhering to the procedures of (A) above, or if the vendor does not have referral agreement or arrangement with a union for a construction trade, the vendor or subcontractor agrees to take the following action consistent with the applicable county employment goals:

1. To notify the Public Agency Compliance Officer, Affirmative Action Office, and at least one approved minority referral organization of its manpower needs and request referral of minority and female workers;
2. To notify any minority and female workers who have been listed with it as awaiting available vacancies.
3. Prior to commencement of work, to request the local construction trade union, if the vendor or subcontractor has a referral agreement or arrangement with a union for the construction trade, to refer minority and female workers to fill job openings;
4. To leave standing request for additional referral to minority and female workers with the local construction trade union, if the vendor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State training and employment service and other approved referral sources in the area until such time as the workforce is consistent with the employment goal;
5. If it is necessary to lay off some of the workers in a given trade on the construction site, to assure, consistent with the applicable State and Federal statutes and court decisions, that sufficient minority and female employees remain on the site consistent with the employment goal; and to employ any minority and female workers so laid off by the vendor or any other construction site in the area on which its workforce composition is not consistent with an employment goal established pursuant to rules implementing P.L. 1975. C. 127;

To adhere to the following procedure when minority and female workers apply or are referred to the vendor or subcontractor:

- i) If said individuals have never previously received any document or certifications signifying a level of qualification lower than required, the vendor or subcontractor shall determine the qualifications of such individuals and if the vendors or subcontractors workforce in each construction trade is not consistent with the applicable employment goal, it shall employ such persons which satisfy appropriate qualification standards; provided however, that a vendor or subcontractor shall determine that the individual at least possesses the skills and experience recognized by any worker skills and experience classification determination which may have been made by a Public Agency Compliance Officer, union, apprentice program or a referral agency, provided the referral agency, is acceptable to the Affirmative Action Office and provided further, that, if necessary, the vendor or subcontractor shall hire minority and female workers who qualify as trainees pursuant to these rules. All of the requirements of this paragraph, however, are limited by the provisions of (C) below.
- ii) If the vendors or subcontractors workforce is consistent with the applicable employment goal, the name of said female or minority group individual shall be maintained on a waiting list for the first considerations in the event the vendors or subcontractors workforce is no longer consistent with the applicable employment goal.
- iii) If, for any reason, said vendor or subcontractor determines that a minority individual or a female is not qualified or if the individual qualifies as an advance trainee or apprentice, the vendor or subcontractor shall inform the individual in writing with the reasons for the determination, maintain a copy in its files, and send a copy of the

Public Agency Compliance Officer and to the Affirmative Action Office.

7. To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Affirmative Action Office and shall be submitted promptly to that office upon request.

- C) The vendor or subcontractor agrees that nothing contained in (B) preceding provision shall preclude the vendor or subcontractor from complying with the hiring hall or apprenticeship provision in any applicable collective bargaining agreement or hiring hall arrangement, and, where, required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement: provided, however, that where the practices of a union or apprenticeship program will result in the exclusion of minorities and females or the failure to refer minorities and females consistent with the county employment goal, the vendor or subcontractor shall consider for employment persons referred pursuant to said provisions (B) without regard to such agreement or arrangement; provided further, however, that the vendor or subcontractor shall not be required to employ female and minority advanced trainees and trainees in numbers which results in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or on the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the vendor or subcontractor agrees that, in implementing the procedures of the preceding provisions (B) it shall, where applicable, employ minority and female workers residing within the geographical jurisdiction of the union.**
- D) The vendor agrees to complete an Initial Project Manning Report on forms provided by the Affirmative Action Office or in the form prescribed by the Affirmative Action Office and submit a copy of said form no later than three days after signing a construction contract; provided, however, that the public agency may extend in a particular case the allowable time for submitting the form to no more than fourteen days; and to submit a copy of the monthly Project Manning Report once a month (by the seventh work day of each month) thereafter for the duration of this contract to the Affirmative Action Office and to the Public Agency Compliance Officer. The vendor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on-the-job programs for outreach and training of minority and female trainees employed on construction projects.**
- E) The vendor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the affirmative action office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).**

APPENDIX B

AMERICANS WITH DISABILITIES ACT OF 1990 Equal Opportunity for Individuals with Disability

The Vendor and the City of Hoboken, (hereafter "City") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. S121 01 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the City pursuant to this contract, the Vendor agrees that the performance shall be in strict compliance with the Act. In the event that the Vendor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the Vendor shall defend the City in any action or administrative proceeding commenced pursuant to this Act. The Vendor shall indemnify, protect, and save harmless the City, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The Vendor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the City's grievance procedure, the Vendor agrees to aproposal by any decision of the City which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the City, or if the City incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the Vendor shall satisfy and discharge the same at its own expense.

The City shall, as soon as practicable after a claim has been made against it, give written notice thereof to the Vendor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the City or any of its agents, servants, and employees, the *City shall* expeditiously forward or have forwarded to the Vendor every demand, complaint, notice, summons, pleading, or other process received by the City or its representatives.

It is expressly agreed and understood that any approval by the City of the services provided by the Vendor pursuant to this contract will not relieve the Vendor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the City pursuant to this paragraph.

It is further agreed and understood that the City assumes no obligation to indemnify or save harmless the Vendor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the Vendor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the Vendor's obligations assumed in this Agreement, nor shall they be construed to relieve the Vendor from any liability, nor preclude the City from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.
