SPECIAL SCREENING OF:

SHORED UP

NEW JERSEY
FUTURE

Sat. Sept 20, 7-9PM
Holy Cross School
40 Rumson Rd, Rumson

Presented by New Jersey Future and hosted by Mayor Dina Long,
Borough of Sea Bright. FREE ADMISSION.

Interviewing scientists, elected officials, residents, environmentalists and others, filmmaker Ben Kalina explores the complex issues that we face as sea levels rise at the same time homes and businesses are being rebuilt and new ones are constructed along our coast.

"Ben Kalina's sturdy documentary debut delivers a sobering examination of the threat of rising sea levels." - *Variety*

"A thought-provoking documentary." - *The New York Times*

Please join us for a screening, and a **post-screening discussion and Q&A** with the director and experts from Rutgers Marine and Coastal Studies, Clean Ocean Action and the American Littoral Society.

Admission is free through the sponsorship of New Jersey Future, a statewide non-profit planning advocacy group that is working with communities in Monmouth, Ocean and Cumberland counties on long term recovery planning.

Hosted by Mayor Dina Long, Borough of Sea Bright
