

### Tilt- Up Sandy Memorial

It will cost roughly \$17,500 to be compliant [CAFRA Permit, site plan, soil samples, environmental impact study, soil erosion/sediment control plan, tidal water study. Does not include Threatened and Endangered Species Evaluation or Tidelands License] to keep the structure. The Borough received costs from the RFP ranging from \$9,600 to \$36,500 [5 Bids: \$36,500; \$35,800; \$20,000; \$17,000; \$9,600] for a contractor to remove it.

Should the structure be put into compliance or removed? CHOOSE ONE

- Put into compliance
- Removed

REQUIRED:

I am a resident and/or property owner of Highlands, NJ and validate this statement by entering one of the following:
